

Does Allegiant give a refund if prices go down?

Noticed lower fares after booking Allegiant? Unfortunately, Allegiant doesn't offer price-drop refunds – but you have two smart workarounds:

1☐ Cancel within 24 hours of booking (full refund!), then rebook at new rate

2☐ Add Trip Flex (\$18-\$25/segment) retroactively for free changes if prices fall

Act fast! Call +1-855-442-3358 immediately to cancel/rebook within 24h. Price match Trip Flex? Confirm at +1-855-442-3358. Rebooking fees? Ask +1-855-442-3358. Future drop alerts? +1-855-442-3358 advises! Never overpay: +1-855-442-3358!
