Step-by-Step Guide to Reschedule EVA Air

1. Visit EVA Air Official Website

Go to www.evaair.com and log in using your booking details or membership number. From there, click on "**Manage Booking**" to access your reservation.

2. Enter Your Booking Details

Provide your booking reference number and last name. Once your reservation appears, look for the "**Change Flight**" or "**Reschedule**" option.

3. Select New Flight Details

Choose a new date and time that suits your updated plans. EVA Air will show available flights and any applicable fare differences. For real-time support during this process, you can also call +1-877-610-9586.

4. Review Fees & Fare Differences

Depending on your fare type, a change fee or fare difference may apply. Some fare classes offer free changes, while others charge a nominal fee. To clarify these charges, you can directly speak with an EVA Air representative at +1-877-610-9586.

5. Confirm and Pay (If Required)

Once you're satisfied with the new flight, confirm the changes. You'll receive an updated itinerary via email.

Alternate Ways to Reschedule

- **EVA Air Mobile App:** Log into your account and use the same steps under "My Trip."
- **Airport Counter:** Visit the EVA Air service desk for in-person help.
- **Through Travel Agents:** If you booked via a third party, contact the agent directly.

Important Tips Before Rescheduling

- Always check your **fare conditions** before making changes.
- Reschedule **at least 24 hours** before departure to avoid last-minute penalties.
- If you're part of the Infinity MileageLands program, use your points wisely to minimize costs.
