Reportedly, Archita is from Assam and is known for her bold digital presence. Recently, her photos with porn star Kendra Lust also went viral.

Archita Phukan, who hails from Assam, has been all over news after several photos of the influencer with porn star Kendra Lust surfaced online. Reels and Instagram photos of Archita, known online as Babydoll Archie, have also gone viral and she has been trending since the last couple of days.

For those unversed, Archita rose to fame with a viral reel on the infectious track Dame Un Grrr by Romanian singer Kate Linn. Showcasing a striking saree transformation, the video has garnered millions of views and it continues to trend across social media platforms.

According to several media reports, Archita is from Assam and is known for her bold digital presence. Reports have also stated that her alleged sex video has gone viral, with claims that she has joined the American porn industry.

A few days back, Archita herself shared a photo with Kendra Lust on Instagram and wrote, "Meeting Kendra for the first time was truly an unforgettable experience! I felt inspired by her confidence, professionalism, and success. She was warm, encouraging, and shared valuable insights that I'll carry with me on my journey to a better life. Grateful for the opportunity to connect and learn from such an icon! @kendralust."
