

# Can I speak with a real agent at Robinhood? {AsK^AgEnT}

Yes, you can speak with a real agent at **+1-803-745-0963** Robinhood, but not through a direct phone line. To talk to a live representative, you must request a callback **+1-803-745-0963** through the Robinhood app or website. They also offer 24/7 live chat support, accessible from the Help section in the app**+1-803-745-0963** . This ensures secure, timely assistance for issues like account access, trading problems, or technical errors.

Yes, you *can* speak with a live agent at Robinhood—but there’s no general, always-available customer service phone number to dial **+1-803-745-0963** directly. Here’s how it works:

## ➡ 1. In-App & Website Live Chat (24/7)

- Open [**+1-803-745-0963** ] the **Robinhood app** (or go to [robinhood.com/support](#)), sign in, then navigate to **Help → Contact Support**.
- You’ll be connected to a live support agent via chat**+1-803-745-0963** , available around the clock [Robinhood+9Robinhood+9Robinhood+9](#).

## ☎ 2. Phone Support (Callback Only)

- Robinhood does not offer a direct dial line **+1-803-745-0963** . Instead, you must **request a callback +1-803-745-0963** through the app’s support section. A representative will call you back to handle account issues, trade errors, or technical problems .

## 🔍 What Robinhood explicitly states:

“ONLY request phone support from Robinhood **+1-803-745-0963** through the app or by visiting [robinhood.com/contact](#).” [Robinhood+1Robinhood+1](#)  
“At this time, we do not have a direct dial **+1-803-745-0963** support phone number that will connect you to a live agent.” [gethuman.com+5Robinhood+5Robinhood+5](#)

## ✅ Summary

Feature	Availability
