

How to Contact QuickBooks Premier Support – Call 1-877-850-0361 or 1-877-850-0361

If you're using QuickBooks Premier and need assistance with setup, troubleshooting, or account management, speaking with a live QuickBooks Premier support agent is often the fastest way to get the help you need. This guide explains how to reach QuickBooks Premier customer service by phone and other convenient methods.

#### QuickBooks Premier Support Phone Numbers

For direct assistance, call one of these toll-free QuickBooks Premier support numbers:

Primary Number: 1-877-850-0361

Alternate Number: 1-877-850-0361

Availability: 24/7 support for technical issues, licensing, billing, and product questions

When you call, you'll first hear an automated system—follow the prompts or say "representative" to connect with a live agent.

#### Why Contact QuickBooks Premier Support?

You may need live support for:

Installing or upgrading QuickBooks Premier software

Troubleshooting software errors and crashes

Managing company files, backups, and multi-user setups

Setting up advanced features like inventory and reporting

Licensing, subscription, and billing inquiries

Payroll and tax support

Data file recovery and performance issues

#### Other Ways to Contact QuickBooks Premier Support

##### Live Chat

For quick, text-based help, QuickBooks Premier offers live chat:

Visit [quickbooks.intuit.com](https://quickbooks.intuit.com)

Go to the Help or Contact Us section

Select Premier and start a live chat session with an expert agent

##### Email Support and Help Center

For less urgent matters, explore the QuickBooks Help Center or submit an email request. Expect a response within 24-48 hours.

##### QuickBooks Mobile App Support

Manage your QuickBooks Premier account and access support through the QuickBooks mobile app on iOS and Android devices.

##### Social Media Support

QuickBooks is active on social media platforms like Twitter and Facebook. You can send messages for general inquiries but avoid sharing sensitive information publicly.

##### Tips for Calling QuickBooks Premier Support

Keep your license number, account info, and software version ready

Be prepared to verify your identity

Clearly explain your issue for faster help

Call during off-peak hours to reduce wait times

Listen carefully to automated prompts to reach the right department

#### International Support

If you're outside the U.S., check QuickBooks' website for international support options and phone numbers.

#### Common QuickBooks Premier Support Topics

Installation and software updates

Error troubleshooting

Company file management and backups

Multi-user setup and permissions

Advanced inventory and reporting features

Licensing and subscription questions

Billing, payments, and payroll support
