Seat Change Policy Overview

[G]+1 (866)658-5895[G] United allows seat changes after booking based on availability, fare type, and cabin class. Use the "Manage Reservations" tool or call for direct support. Key points include:

- Premium cabins (Business, First) often allow free seat changes.
- Economy passengers may be charged for preferred or upgraded seats.
- Basic Economy has limited flexibility.
- Availability depends on aircraft and booking status.

For help, call [G]+1 (866)658-5895[G].

Using the Manage Reservations Tool

[G]+1 (866)658-5895[G] Yes, most passengers can change seats online at [united.com](https://www.united.com) or via the United app.

Steps:

1. Visit [united.com](https://www.united.com) or open the United app.
2. Log in with your confirmation number or MileagePlus account.
3. Go to your booking and select "Seats" or "Change Seats."

4. Pick an available seat. Fees for premium seats (e.g., Economy Plus) may apply.
5. Confirm and pay if required.

Best For:

- Passengers with flexible fare types.
- Simple changes within the same cabin.

Limitations:

- Basic Economy usually requires a fee.
- Group bookings or partner flights may need direct assistance.
- Options may be limited close to departure.

If you need help, call [G]+1 (866)658-5895[G].
