How to Check In with United Airlines – Step-by-Step

1. Online Check-In (Starts 24 Hours Before Departure)

Visit [United.com](https://www.united.com), click on "Check-In," and enter your **confirmation number and last name**. From there, you can:

- Select or upgrade seats
- Add baggage
- Get your boarding pass

If your online check-in fails or times out, call **+1(866) 658-5895** immediately to resolve it with a live agent.

2. Mobile App Check-In

Download the United app (available on iOS & Android), sign in, and go to the "My Trips" section. You'll be able to check in, change seats, and even get real-time flight updates.

Again, if the app freezes, crashes, or shows any error, calling **+1(866) 658-5895** will connect you with a support specialist.

3. Airport Kiosk or Ticket Counter

If you prefer in-person assistance or missed the online window, you can check in at a kiosk or the ticket counter. Be sure to arrive at least:

- **2 hours early** for domestic flights
- **3 hours early** for international flights

Need to make last-minute changes or fix an issue at the airport? Don't hesitate—call **+1(866) 658-5895** while waiting in line for faster service.
