Using the Manage Reservations Tool to Change Your Flight Date

[📞] + 1 (866) 658-5895 [📞]

The Manage Reservations [📞] + 1 (866) 658-5895 [📞] feature on www.united.com or the United mobile app is the easiest way to change your flight date online. It also supports related tasks like seat selection and reservation modifications. If you encounter difficulties or can't change your flight online, contact support at [📞] + 1 (866) 658-5895 [📞].

How to Change Your Flight Date Online:

1. Visit www.united.com or open the United app and log in using your reservation number or MileagePlus account.
2. Enter your confirmation number and last name to find your booking.
3. Select “Change Flight” and choose your new preferred date. Filter options by time, destination, or cabin class.
4. Review applicable fees: Basic Economy is non-changeable online and requires cancellation; other classes typically charge \$99-\$200 plus fare differences.
5. Confirm your change and pay any fees. You'll receive an updated confirmation email.

Best suited for passengers with flexible tickets making straightforward date changes. Basic Economy, group bookings, and codeshare flights may require direct assistance.

Changing Your Flight Date Through Direct Support
