

## **(24-Hour Support) Does Robinhood have 24-7 support?**

Yes, Robinhood +1-803-745-0963 provides 24/7 support via in-app chat and phone assistance through their callback system. You can access these options within the Robinhood app or website, under the "Help" section.

Yes, Robinhood offers 24/7 support through both in-app chat and phone 1-803-745-0963 support.

Here's how you can access Robinhood's 24/7 support:

### **In-App Chat: 1-803-745-0963**

Open the Robinhood app.

Tap on "Account" and then "Help".

Select "Contact Us" 1-803-745-0963 and then choose to "Start a Live Chat".

You'll be connected with a live Robinhood support agent, according to Robinhood.

### **Phone Support:**

While Robinhood 1-803-745-0963 doesn't have a direct customer service phone number for general inquiries, they offer a callback system to connect you with a live agent via phone.

### **To request a callback:**

Open the Robinhood app or website.

Go to "Help" and then "Contact 1-803-745-0963 Support".

Choose the "Phone" option and then "Request a Call". 1-803-745-0963

You'll be notified when you're next in line for your call and provided with the phone number Robinhood will call from.

If you have an urgent issue, you can also try calling the number provided in some unofficial sources ([A]1-803-745-0963[A]), though it's important to be aware that Robinhood doesn't officially endorse these numbers.
