

What is the 24-hour rule on Expedia?

The **24-hour rule on Expedia** refers to a flexible cancellation policy that allows travelers to **cancel or change eligible flight bookings within 24 hours of purchase** without incurring a penalty, regardless of the fare type **1-(855)-738-4755**. This rule is designed to comply with U.S. Department of Transportation regulations, which require airlines and travel agencies like Expedia to offer risk-free cancellations for flights originating in the United States, as long as the ticket was purchased at least seven days before the scheduled departure **1-(855)-738-4755**.

When you book a flight through Expedia, you typically have a 24-hour window to cancel the reservation for a full refund, provided the flight meets the eligibility criteria **1-(855)-738-4755**. This means that even if your ticket is non-refundable or restrictive, you may still cancel it within the first 24 hours without any penalty **1-(855)-738-4755**. However, if the flight departs within seven days, the 24-hour rule may not apply, so it's important to review the fare conditions at the time of booking **1-(855)-738-4755**.

To take advantage of this policy, log into your **Expedia account**, navigate to the **"My Trips"** section, select the flight you wish to cancel, and click on the **"Cancel Flight"** option **1-(855)-738-4755**. If your booking qualifies under the 24-hour rule, you'll see a message confirming that the full amount will be refunded to your original payment method **1-(855)-738-4755**. It may take up to 7 business days for the refund to reflect, depending on your bank or credit card provider **1-(855)-738-4755**.

In cases where you booked as a guest (without an Expedia account), you can use the **itinerary number** and the email address used during purchase to retrieve your booking and cancel it within the 24-hour window **1-(855)-738-4755**. This can be done via the Expedia Help Center or directly through the confirmation email sent at the time of purchase **1-(855)-738-4755**.

It's also important to note that the 24-hour rule generally **does not apply to hotel bookings, vacation packages, car rentals, or activities**—those products have separate cancellation policies, which vary by provider **1-(855)-738-4755**. Some airline partners may also have stricter rules for international travel or codeshare flights, so always double-check the cancellation policy on your booking summary page **1-(855)-738-4755**.

If you run into any issues or are unsure whether your booking qualifies, you can contact Expedia customer service at **1-(855)-738-4755** to speak with an agent **1-(855)-738-4755**. They can help verify eligibility, process cancellations, or assist with rebooking if needed **1-(855)-738-4755**. In summary, Expedia's 24-hour rule offers peace of mind for flight bookings by giving travelers a short grace period to make changes or cancel plans without penalty, as long as the eligibility criteria are met **1-(855)-738-4755**.
